The University of Manitoba offers students the opportunity to complete the curriculum requirements for both a Juris Doctor (JD) and a Master of Business Administration (MBA) concurrently, over four years rather than five years if taking the two programs consecutively.

Eligibility and Application Process:

To be eligible for the concurrent JD/MBA degrees program, students must meet the entrance requirements of the JD (Faculty of Law) and the MBA (Asper School of Business Stu Clark Graduate School). JD/MBA students will apply initially to the JD program; an expression of interest in the concurrent JD/MBA degrees program will be indicated through a checkbox on their JD application. Students will then apply to the Asper MBA program during their first year of Law studies, no later than the published deadline.

At the latest, students can apply to complete the MBA concurrently with a JD up to the end of the 2nd year in Law.

Progression in the concurrent JD/MBA degrees program:

To continue in the concurrent JD/MBA program, a student must maintain the Degree Grade Point Average of each program and is subject to the rules and regulations of the Faculty of Law while in Law courses and the rules and regulations of the MBA program while in MBA courses.

To complete the concurrent JD/MBA degrees, a student will earn 131 credit hours over four years, comprising of 83 credit hours of Law courses (53 core CH and 30 CH electives), and 48 credit hours of MBA courses (30 core and 18 elective credit hours). The first year will consist of Law core courses, the second year of MBA core courses, the third year is expected to be Law courses, and the final year will most often be one term of Law courses and one term of MBA courses to a total of 131 credit hours.

The typical journey to achieve the concurrent JD/MBA degrees would be as follows:

(Year 0) Apply to Law by December 1 to be considered for Year 1 of JD/ MBA studies

- Indicate interest in the concurrent degrees program with checkbox on application
- (Applicable application fee)

(Year 1) September of following year: Law core courses

- Apply to the MBA by May 1 of that academic year (applicable application fee) to be considered for entry into JD/MBA Year 2

(Year 2) MBA core courses

(Year 3) Law elective courses

(Year 4) One Term Law courses/One Term MBA courses
