

# LIVESTOCK, AGRICULTURE DIPLOMA

## Overview/Entrance Requirements

**Director:** Sue Clayton

**Campus Address/General Office:** 160 Agriculture Building

**Telephone:** (204) 474 9295

**Email Address:** aginfo@umanitoba.ca

### Diploma in Agriculture

The program is designed for those who plan to manage farms or pursue careers in the agricultural and food service and/or value added sectors. Classes begin September 11 and end April 5 to accommodate students with obligations to plant and harvest crops. The program is also designed for those who plan to transfer credits earned from the Agriculture Diploma program to one of the Faculty of Agricultural and Food Sciences' degree programs.

#### Program Core

The Program Core, common to all students, provides a broad yet integrated education in the production, management and marketing of agricultural and food products and the principles of managing a business. Students are taught to use this knowledge to evaluate the technical and economic feasibility of a variety of alternative agricultural practices.

## Degree Requirements

### Diploma in Agriculture

Course	Title	Hours
<b>Year 1</b>		
<b>Fall</b>		
ANSC 0420	Animal Biology and Nutrition	4

DAGR 0920	Current Issues in Agriculture and Food	3
DAGR 0990	Farm Management Project 2	3
<b>Hours</b>		<b>9</b>
<b>Total Hours</b>		<b>62</b>

### LIVESTOCK MANAGEMENT OPTION

In order to accommodate a modest level of specialization, the students will be required to elect one of four options by the end of first year.

This option is designed for those who plan to manage operations where animal management and/or production is the primary enterprise or for those who are interested in careers in related agricultural and food service and/or value added sectors.

Course	Title	Hours
<b>Program Core</b>		
Program Core credit hours		62
<b>Option Core – Livestock Management</b>		
ANSC 0600	Animal Health and Welfare	3

<b>Program Electives</b>		
12-13 credit hours, to complete a minimum of 93 credit hours in the 12-13 program		
<b>Total Hours</b>		<b>92-94</b>

#### Program Electives

Students can select program electives to fulfill the program's 93 credit hour requirement. The following Faculty of Agricultural and Food Sciences' courses are approved as program electives for the Agriculture Diploma program. In addition, students may be allowed to register for a maximum of three credit hours of electives from degree or diploma programs offered outside the Faculty of Agricultural and Food Sciences for credit towards the Agriculture Diploma. Credit for these courses will be granted on the condition that there is not significant overlap of course content. Students planning to register for degree courses should contact the Student Services Office to discuss implications for scheduling and graduation, as these courses start earlier in September and end later in April.

Course	Title	Hours
