Program Information

Anthropology is a science that examines human issues from both cultural and biological perspectives. The most fundamental concern of this discipline is the survival of humanity and the conditions of continuity and change for all human life. The department offers courses in socio-cultural anthropology or ethnology, archaeology, language and culture, and biological or physical anthropology. While academic staff of the department have research interests that range from northern climates to the tropics and from Asia to the Americas, the department is also involved in research that sheds light on Manitoba and its people.

For entry, continuation and graduation requirements for the General Degree, Advanced Degree and Honours Degree, see: Basic Faculty Regulations (<https://catalog.umanitoba.ca/undergraduate-studies/arts/#facultyacademicregulationstext>) for the B.A. General, Advanced and Honours Degree Programs.

Major Program

For entry to the Major, the prerequisite is a grade of "C" or better in both ANTH 1210 and ANTH 1220 (or ANTH 1520).

A minimum "C" average in all courses that comprise the Major is required to graduate including the higher grade of repeated courses and excluding failed courses.

Minor (Concentration) Program

For entry to the Minor (Concentration), the prerequisite is a grade of "C" or better in both ANTH 1210 and ANTH 1220 (or ANTH 1520).

Honours Program

For entry to the Honours program, see: Basic Faculty Regulations (<https://catalog.umanitoba.ca/undergraduate-studies/arts/#facultyacademicregulationstext>) for the B.A. General, Advanced and Honours Degree Programs.

Co-operative Education Options

Students interested in alternating employment terms and academic terms as part of the Single Advanced Major or the Single Honours programs in Anthropology may apply to enter the Co-operative Education Option upon completion of their second year in the program (min. 48 credit hours completed). The course and grade requirements for entry to this option are the same as those required for entry to the Single Advanced Major and Honours programs respectively, as indicated above. Students should refer to the general faculty regulations for Co-operative Options for additional conditions of this option.

Introductory Courses

The general introductory courses (ANTH 1210, and ANTH 1220 or ANTH 1520) present the major ideas and findings of Anthropology and are equally appropriate for those planning to take further courses in this field and for students from other departments or faculties.
