GENERAL PURPOSE

The Bachelor of Arts Integrated Studies is a 90 credit hour degree program geared to serve working adults who have completed some post secondary education. The degree requires areas of Concentration rather than the traditional Major/Minor requirement, providing a more flexible path for degree completion but also ensuring academic rigor (e.g., appropriate writing and quantitative skills, breadth requirements, and an appropriate percentage of upper level courses).

Foundation requirements

Each student must complete the 24 credit hours of Foundation requirements as outlined in the chart and lists above. Courses used to satisfy Foundation Requirements cannot also be used to satisfy Area of Concentration requirements.

Area of Concentration

Each student must complete the course requirements of at least one Concentration. For purposes of this degree program all Minor programs offered by the Faculty of Arts will be referred to as Concentrations.

Additionally, the Management Minor, the Leadership for Business and Organizations Minor, the Mathematics Minor, and the Art History Minor will all be referred to, and acceptable for use as, Concentrations in the BAIS. All Concentrations consist of 18 credit hours of required or specified courses. For entry into most Concentrations, the faculty requirement is that the student must have a grade of "C" or better in the prerequisite course(s).

A course that satisfies the Foundation requirement of the program cannot also be used towards a Concentration.

Students who wish to take additional courses from a second Concentration may do so within their elective component. Students who complete the requirements of a second Concentration may submit a written request to the Dean's Office to have a second Concentration recorded on their transcript. Students who choose to complete a second Concentration may use a Minor program offered by a Faculty/School other than the Faculty of Arts for the second Concentration only (provided that the Minor consists of 18 credit hours). For details on such Concentration (Minor) programs please refer to the relevant Faculty/School chapter in the Academic Calendar.
