Program Requirements for After-Degree Bachelor of Education

Application Deadline for In-School Placement, known as Practicum

Actively registered After-Degree B.Ed. students will be contacted by February via email requesting that they complete an online "Request for School Placement" and must reply by the date specified in the email.

Part time students or students not currently in attendance must contact the Education Student Services office no later than February 1 to make their intentions known. Failure to reply or make contact by the specified dates may result in students being denied a school placement/practicum.

After-Degree B.Ed. students who anticipate needing special accommodations are required to register with Student Accessibility Services (<https://umanitoba.ca/student-supports/accessibility/>) and may also contact an Education Academic Advisor about the kinds of supports they may need. Once students have registered with Student Accessibility Services, reasonable accommodations for practicum can be made in consultation with the Director of Practicum and Partnerships.

Student Criminal Background Check

Applicants should also be aware that the Professional Certification Unit will require students graduating from the After-Degree Bachelor of Education program to undergo a criminal record check, including vulnerable sector screening as part of the certification process.

Information on the "Self-Declaration for Newly Admitted Students: Child Abuse Registry and Statement of Criminal Records" form is included in the applicant information bulletin available from Admissions (<https://umanitoba.ca/explore/undergraduate-admissions/apply/>).

All continuing students will be required to complete and submit a "Self-Declaration for Continuing Students: Child Abuse Registry and Statement of Criminal Records" form prior to registration for every year they are enrolled in the After-Degree B.Ed. program.

Orientation and Faculty Program Days

All After-Degree B.Ed. students registered for the current academic year must attend the annual Orientation session (late August/early September) in order to proceed to Practicum. The date(s) is provided to new students following submission of their deposit (April/May), to returning students via the B.Ed. Newsletter (in the previous March-

May), and to all students via their registration information in June/July. Orientation dates will also be available on the Faculty website.

The Faculty sponsors a number of lectures, workshops and forums. Details will be posted on the faculty's website (<https://umanitoba.ca/education/>).
