

RADY FACULTY OF HEALTH SCIENCES

General Office

Dean: Dr. Peter Nickerson

Campus Address/General Office: A101 Chown-753 McDermod Avenue

Telephone: (204) 789-3485

Email Address: Peter.Nickerson@umanitoba.ca

Introduction

The Faculty of Health Sciences was created with the amalgamation of the University's former health sciences faculties (Dentistry, Medicine, Nursing, Pharmacy, Human Ecology (<https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/health-studies-bhsc/>)) and former schools (Dental Hygiene and Medical Rehabilitation). Professional Colleges within the Faculty are the: College of Dentistry (<https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/dentistry/>) (including the School of Dental Hygiene (<https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/dental-hygiene/>)), College of

Medicine (<https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/medicine/>), College of Nursing (<https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/nursing/>), College of Pharmacy (<https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/pharmacy/>), and College of Rehabilitation Sciences (<https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/rehabilitation-sciences/>). All existing programs of these units will initially be offered by the proposed new faculty.

In addition to the above programs, the administration of the Interdisciplinary Health Program (B.H.Sc. and B.H.St. (<https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/interdisciplinary-health-programs/>)) and General Human Ecology (B.H.Ecol.) program from the Faculty of Human Ecology (HE) will be transferred to the Faculty of Health Sciences (FHS (p. 1)). As such, effective Fall 2015 term, the programs will be transferred to, and administered by, the Faculty of Health Sciences.

Programs

Minors (optional or required) are part of degree programs - for program length, refer to the Years to Completion.

Degree/Diploma	Years to Completion	Total Credit Hours	Has Co-op Option
Baccalaureate Program for Registered Nurses (BPRN)+ (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/nursing/baccalaureate-program-registered-nurses/)	2	45	
Dental Hygiene, B.Sc.D.Hyg. (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/dental-hygiene/dental-hygiene-bscdhyg/)	1-2	19-120	
Dental Hygiene, Dip.D.Hyg. (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/dental-hygiene/dental-hygiene-dipdhyg/)	3	101	
Dental Medicine, D.M.D. (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/dentistry/dental-medicine-dmd/)	4	154	
Dental Medicine, D.M.D. International Dentists Degree Program (IDDP) (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/dentistry/dental-medicine-dmd-international-dentists-degree-program/)	2 (plus 8 week summer orientation)	74	
Dentistry, B.Sc. Dent (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/dentistry/dentistry-bscdent/)	2 summers (normally commencing after first year)		

Family Social Sciences Minor (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/medicine/community-health-sciences-family-social-sciences/fss-minor/)		18
Health Sciences, B.H.Sc. (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/interdisciplinary-health-programs/health-studies-bhsc/)	4	120
Health Sciences Minor (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/interdisciplinary-health-programs/health-sciences-minor/)		18
Health Studies, B.H.St. (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/interdisciplinary-health-programs/health-studies-bhst/)	4	120
Health Studies Minor (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/interdisciplinary-health-programs/health-studies-minor/)		18
Human Ecology (Family Social Sciences), B.H.Ecol. (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/medicine/community-health-sciences-family-social-sciences/human-ecology-family-social-sciences-bhecol/)	4	120
Human Ecology (The After Degree Program in Family Social Sciences), B.H.Ecol. (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/medicine/community-health-sciences-family-social-sciences/human-ecology-after-degree-program-family-social-sciences-bhecol/)	2	60
Midwifery, B.Mid. (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/nursing/midwifery-bmid/)	4	130
Nursing, B.N. (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/nursing/nursing-bn/)	4	127
Pharmacy, B.Sc. (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/pharmacy/pharmacy-bsc/)	5*	166

Pharmacy, Pharm.D. (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/pharmacy/pharmacy-pharmd/)	6**	204
Post-Baccalaureate Diploma in Medical Physiology and Pathophysiology (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/medicine/post-bacc-medical-physiology-pathophysiology/)	1	27
Postgraduate Medical Education (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/medicine/postgraduate-medical-education/)	varies	
Respiratory Therapy, B.R.T. (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/rehabilitation-sciences/respiratory-therapy-brt/)	4	136
Undergraduate Medical Education Program (MD) (https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/medicine/undergraduate-medical-education-program/)	4	

Units

- Interdisciplinary Health Program (<https://catalog.umanitoba.ca/undergraduate-studies/health-sciences/interdisciplinary-health-programs/>)
