

RED RIVER COLLEGE POLYTECHNIC ARTICULATION AGREEMENT B.COMM. HONOURS

Program Requirements for the Asper School of Business/Red River College Polytechnic Articulation Agreement

Under the Asper School of Business / Red River College Polytechnic Articulation Agreement, graduates of the Business Administration Diploma at Red River College may seek admission to the Bachelor of Commerce (Honours) program at the University of Manitoba. Applicants must have graduated from the Business Administration Diploma program at Red River College within the past 5 years. Students must have a minimum of 42 hours of transferable credits to be eligible for admission; a maximum of 54 credit hours from Red River College Polytechnic can be transferred.

Admission under the Asper School of Business / Red River College Polytechnic Articulation Agreement is limited to an annual quota and is competitive. Applicants satisfying the minimum entry requirements should realize that they are eligible for consideration, but that selection is academically competitive and within the discretion of the Asper School of Business.

NOTE: The last intake of the current articulation agreement is for the September 2028 intake.

To be considered for admission, applicants must present a minimum grade of "C" in each Red River College Polytechnic course that is part of the required minimum of 42 transferable credits.

To be eligible for admission, applicants must achieve a minimum grade point average of 3.00 on their RRCP Business Administration Diploma and that GPA must be equal to or greater than the competitive GPA of those admitted to the Asper School of Business under Track 1.

Notes:

1. Red River College applicants are admitted solely based on their college coursework.
2. The maximum allowed external transfer, from all sources combined, is 60 credit hours. If the student has additional post-secondary work other than from Red River College, it will be assessed for potential transfer credit.
3. All applicants whose primary language is not English and who do not qualify for a waiver under the University of Manitoba's English language proficiency regulations will be required to demonstrate proficiency in English through one of the options listed at the University of Manitoba Admissions web site.
4. All program requirements are listed in the Faculty Requirements (p.). The specific courses that must be completed after admission and transfer credit assignment will vary from student to student. Please see an Asper Program Advisor for individual advice in this regard.
5. Students admitted to the Asper School of Business prior to the current calendar year should refer to the archived Academic Calendar

for the year in which they were admitted for a description of their program requirements.

Program Requirements for the Asper Co-op Program

Contact and Program Information

Director: Kelly Mahoney

Asper Co-op Office Room 254 Drake

Telephone: 204-474-8521

Email: aspercoop@umanitoba.ca

The Asper School of Business offers a co-operative education option designed to complement and enrich the academic program with work experience. The co-op work terms provide students with practical experience, assistance in financing their education, and guidance for future career specialization.

All students must complete all 120 credit hours of the program including the Core, one of the Majors listed in the overview, (<https://catalog.umanitoba.ca/undergraduate-studies/management-business/#Available-Majors>) as well as the Option and Elective course components. Students who intend to complete the Asper Co-op Program must also complete a minimum of three (3) 4-month co-op work terms. Students who successfully complete the minimum three co-op work terms can combine the work terms together to satisfy 3 credit hours of Business Electives.

Entrance Requirements and Selection Criteria for the Asper Co-op Program

Those applying to the Asper Co-op Program must have completed or obtained:

- All Bachelor of Commerce (Honours) admission requirements as specified in the University of Manitoba Undergraduate Calendar, the Asper School of Business.

- A minimum degree grade point average of 2.5 upon assessment of the Asper School of Business Bachelor of Commerce (Honours) Program.
- Completion of IDM 1010 with a minimum grade of C+ prior to registration for IDM 2982 Co-op Work Term 1. Students admitted in the Asper Co-op program prior to September 2023 and that are remaining in the curriculum of as of their admission year, will not be required to take IDM 1010. These students will complete mandatory non-credit learning modules.
- A minimum of 45 credit hours in the Bachelor of Commerce (Honours) Program, before commencing the student's first work term, and no fewer than 39 credit hours remaining in the Bachelor of Commerce (Honours) Program before the commencement of the first co-op work term.

In addition to the above requirements:

- An interview with the Co-op Office will be required for admission to the Asper Co-op Program and
- Applicants for the Asper Co-op Program will be evaluated based on a complete application (p. 6).

Note: Each year, 5 seats will be allotted to the Canadian Indigenous Ancestry Category. This category is intended for all First Nations, Métis, and Inuit applicants who have attained a minimum DGPA of 2.5 and met all other requirements for application to the Asper Co-op Program. Students wishing to be considered in the Canadian Indigenous Ancestry Category must indicate so in the appropriate section on the Asper Co-op Program Application Form. If students do not indicate this on the application form, they will not be eligible for consideration within this category. All applicants admitted under this category are required to register with the Indigenous Business Education Partners (IBEP) for a period of at least two academic terms following admission. If you are unsure whether to apply under this category, please consult with the Indigenous Business Education Partners (IBEP), 350 Drake Centre, phone (204) 474-7401. Proof of Indigenous Ancestry will be required to register for IBEP. Unfilled seats in this category will not be filled from outside the category and will not be transferred for use in future years.

If a student has been found to have deliberately falsified information in the application for the Asper Co-op Program, the matter will be immediately reported to the Associate Dean, Undergraduate Program as an allegation of academic misconduct and handled according to the University Student Discipline Bylaw. (<https://catalog.umanitoba.ca/undergraduate-studies/policies-procedures/student-discipline-bylaw/>)

If, prior to acceptance into the Asper Co-op Program, it is found that the student has had an allegation of academic misconduct upheld against them the student may no longer be eligible for entrance to the co-operative education option.

Students are advised that satisfying the minimum entrance requirements does not guarantee a place in the Asper Co-op Program. In the event that the demand for placements exceeds the number of places available or that appropriate levels of staffing of the co-op office are not available, a cap may be placed on the number of students accepted into the Asper Co-op Program. In such situations, the Asper School of Business reserves the right to determine and select the best qualified applicants.

Application Requirements for the Asper Co-op Program

In addition to the minimum requirements of the Asper School of Business, applicants for the Asper Co-op Program will be evaluated based on a complete application. This will include the following:

- A completed co-op application form and
- A completed Consent of Release of Personal Information form and
- A statement of purpose: The applicant must submit a statement outlining their motivations for participating in the Asper Co-op Program, and
- A group interview conducted by the Co-op Office.

Upon completion of the co-op application form and prior to the group interview, each applicant's academic standing is verified by the Undergraduate Program Office.

Applications to the Asper Co-op Program must be received prior to the application deadline specified on the Co-op website (<https://umanitoba.ca/faculties/management/programs/undergraduate/coop/>), except by special permission from the Co-op Program Director. All completed applications must be submitted directly to the Co-operative Education Program Office.

Structure and Sequencing for the Asper Co-op Program

The Asper Co-op Program consists of both academic terms and co-op work terms.

Each academic term and each co-op work term will commence in January, May or September.

Students are expected to follow the academic/co-op work term sequence defined by the Asper School of Business from admission through to graduation.

Some variations may occur to meet specific needs of students and co-op employers. Variations to normal sequencing of co-op terms will require pre-approval of the Co-op Director.

Students admitted in Fall 2023 or later into the Asper Co-op program will be required to complete IDM 1010 with a minimum grade of "C+" in order to register for IDM 2982 Co-op Work Term 1. Students admitted before Fall 2023, will be required to complete mandatory non-credit hour learning modules in preparation for IDM 2982 Co-op Work Term 1.

Work Term Requirements for the Asper Co-op Program

The Asper Co-op Program will include at least 12 months spent in co-op work terms with a co-op office approved employer. Normally, each co-op work term will be completed with one employer. Typically, the co-op work terms will be taken in three, 4-month-long co-op work terms; however, other schedules may also be approved on an as-needed basis. With pre-approval of the Co-op Office, students may choose to complete a fourth co-op work term, making their program consist of four co-op work terms.

A minimum grade of "C" is required in each co-op work term course. Students who fail to meet the minimum "C" grade in each of their co-op work term courses will be required to withdraw from the co-operative education program and have the following academic assessment noted on their transcript "Required to Withdraw from the Asper Co-op Program".

Asper Co-op students are required to submit an outline of learning objective and a work term report for each of their co-op work terms. These reports are due at times designated by the co-op office. The co-op

office will provide students with instructions regarding the content and format requirements of the co-op work term reports.

Asper Co-op students are required to submit a minimum of three written learning objectives and a minimum of three work term reports on their co-op work term activities. If a student chooses to do a four work term program, they will be required to submit written learning objectives and work term reports for the fourth term through IDM 4992. These reports are due at times designated by the co-op office. The co-op office will provide students with instructions regarding the content and format requirements of the co-op work term reports.

Indications of unsatisfactory performance by a student on a work term will be thoroughly investigated by the co-op office. As a result of the investigation, the student may be required to withdraw from the Asper Co-op Program and the following academic assessment noted on their transcript "Required to Withdraw from the Asper Co-op Program". The student would then be assessed for eligibility to enter the regular B. Comm. (Honours) program (please refer to Withdrawal from the Asper Co-op Program (p. 7) for more information).

While on a co-op work term, a Co-op student is not normally permitted to take more than three hours of academic credit. Students wishing to enroll in more than 3 credit hours while on a co-op work term must apply to the Co-op Faculty Advisor for permission to do so, including furnishing a letter from their co-op employer indicating that the employer approves of this exception; if approved a student may not take more than six hours of academic credit while on a work term and may not take more than one course at a time during spring/summer session.

Academic Term Requirements for the Asper Co-op Program

Coursework requirements of the Asper Co-op Program are equivalent to the coursework requirements of the B. Comm.(Hons.) program with exception that each Co-op Work Term (Course IDM 2982, IDM 3982, IDM 4982 and IDM 4992 (if chosen) will receive 1 credit hour for each co-op work term course passed. Students passing all three co-op work term courses will be permitted to use the three co-op work term courses together as equivalent to three (3) credit hours of a 2000 level, or higher, Business Elective. Students choosing to do a fourth co-op work term, are required to complete all required academic components of a co-op work term, including writing Learning Objective and Work Term Reports, and pay relevant fees. Students completing a fourth co-op term (IDM 4992) will receive 1 credit hour and will graduate with 121 credit hours in their degree program.

For students admitted in the Asper Co-op Program in Fall 2023 or later, completion of IDM 1010 with a grade of C+ is required prior to IDM 2982 Co-op Work Term 1. Students enrolled in the Asper Co-op Program are required to maintain satisfactory progress toward their B. Comm. (Honours) degree and be registered in a minimum of 9 credit hours between co-op work terms after admission to the Asper Co-op Program, unless back-to-back co-op work terms have been approved by the co-op office.

While on a co-op work term, a Co-op student is not normally permitted to take more than three hours of academic credit (please refer to Work Term Requirements for the Asper Co-op Program (p. 6)); Taking more than three hours of academic credit in a co-op term does not reduce the requirement of enrolment in a minimum of 9 credit hours in each academic term unless written permission is obtained from the co-op office.

Students whose degree G.P.A. falls below 2.0 in any given term are subject to withdrawal from the B. Comm. (Hons) program as per the Faculty Academic Regulations, Required to Withdraw from the Bachelor of Commerce (Honours) Program (<https://catalog.umanitoba.ca/undergraduate-studies/management-business/#Required-withdraw>) in the Asper Undergraduate Calendar.

The student must meet all academic degree and individual course prerequisites for further study, departmental continuation and graduation requirements. Continuation is also contingent upon satisfactory performance on co-op work terms (please refer to Work Term Requirements (p. 6) for the Asper Co-op Program)
