

MANAGEMENT/ L'ÉCOLE TECHNIQUE ET PROFESSIONNELLE JOINT PROGRAM, B. COMM. HONOURS

Degree Requirements

Students admitted under the Asper School of Business/ L'École technique et professionnelle Agreement are required to complete the same approved Bachelor of Commerce Honours degree regulations as other Asper School of Business students.

To determine which courses to take each year, students should consult the course requirements for each year of their chosen Major.

Notes:

1. L'École technique et professionnelle applicants are admitted solely based on their college coursework.
2. The maximum allowed external transfer, from all sources combined, is 60 credit hours. If the student has additional post-secondary work other than from L'École technique et professionnelle, it will be assessed for potential transfer credit.
3. All applicants whose primary language is not English and who do not qualify for a waiver under the University of Manitoba's English language proficiency regulations will be required to demonstrate proficiency in English through one of the options listed at the University of Manitoba Admissions web site.
4. All program requirements are listed in the Faculty Program section. The specific courses that must be completed after admission and transfer credit assignment will vary from student to student. Please see an Asper Program Advisor for individual advice in this regard.
5. Students admitted to the Asper School of Business prior to the current calendar year should refer to the archived Academic Calendar for the year in which they were admitted for a description of their program requirements.
